from all other people?

Why are you 'unique'?

Write down a few ideas
below

Jesus Feeds AT LEAST 5000 People

To watch a video clip of this miracle, please see

Otherwise, please read the story in John 6: 5-13

The young boy gave away his food. This was only a small thing to do, but it made a huge difference to the people. What happened?

What do you think YOU can offer God that will make a difference?

Why do you think God gives different people different gifts and abilities to use for Him?

I praise you
because I am fearfully
and wonderfully
made!

PSALM 139:2

I WILL★

works, which God

for us to do.

Label the Body Parts

Cut out each word and match it to the correct body part.

hand	leg	eyes	ears
head	arm	mouth	foot

For Older Children Label the Body Parts

The closer you look, the more amazing things you can find out about the body. What not look up some of them in a book about the Human Body.

For example - this is what an eye looks like inside...

and this is what an ear looks like...

In 1 Corinthians 12, there's a description of all the people in a Church being like a different part of the body. How can this be a good description of how we can all work together to get things done?

Why not have a go at singing this song with your family.
You will all need to sing a different part and see how the
whole song fits together at the end

Girls: I am the eye, I go blink, blink,
Yes, I am the eye and I can wink,
I am the eye but I can't think,
That belongs to my friend the brain.

Boys: Fritter fratter frit, fritter fratter frit,
I'm the brain with electric current patter pit,
I'm the brain and I fritter learning bit by bit,
Yes I fritter fratter fritter all the time.

Dads: I go lub dub, lub dub I go.
I am the heart, I pump like so,
I'm bringing life to all the parts,
I am consistent, I'm the heart.

Mums: Swinging, I'm swinging,
Swinging on life's merry way.
I'm the arm, I'm the arm,
Bringing grace to all.

Little Kids: Hearing, hearing,
Small ears, hearing,
We don't miss much,
Hearing all the time.

Altogether: # We are the body of Christ,
We are the body of Christ,
Together bringing His love to the world...[Repeat #]
^ We work together, we work together,
We do it with co-operation
We work together, we work together,
We do it with co-operation! Amen!

Spend some time praying God for how He has made you, your
friends and your family.

Pray for the people you know and thank God for making them
the way they are.

The people ate and the disciples
gathered up the leftovers-
twelve baskets!
