NEWS

Prayer for KM Church community

As the leaders of KM continue to meet and discuss the feedback received from our month of prayer in April, please continue to pray for the following:

- That we might be open to God's working in us and to his leading.
- God's vision for Knights Meadow Church as part of St John's parish, as we emerge from lockdown.
- Leadership for Knights Meadow Church.
- Making an impact for Jesus as the town of Kenilworth grows in the future.

"Lamp Post"

This is a weekly newsletter, which members of the church are distributing in the following roads on the Knights Meadow estate: Camelot Grove, Jacox Crescent, Cashmore Road, Wilson Grove and Ashdene Gardens. Please pray for the team distributing leaflets and also for those receiving the news about Jesus and our Church. If you would like to get involved with this initiative, please contact Phil Swards.

Live Streaming Services from Church:

Video Consent

The 10am and 6pm services at Warwick Road will be live streamed from church and available on Youtube. Live streaming from Church brings the possibility that you might appear on screen if you are attending one of these services. Some may not wish their pictures to be shown or their voice heard. We need to take care to make sure that everyone is aware of this, and has the opportunity to say no to being filmed.

We will be asking everyone to sign a consent form or record a "no film" choice, there will be "no film" areas in church, and reminder notices as you enter church.

If you have any concerns, or want to know more, please contact me. Charlie Palmer. Safeguarding Officer
Tel 01926 859705 Safeguarding@StJohn316.co.uk

Consent Forms were sent out to everyone on the distribution list and there are copies attached to the Church Office doors and in Church

Retreat in Daily Life: Breakfast on the Beach

This started on 30th May. If you still want to take part and haven't yet told us, please contact Val Whiteman (val@gevaru.co.uk 858670/ 07596 656771) or the Church Office (admin@stjohn316.co.uk, 07734 489835) asap.

There was a sign up sheet sent out by email a few week's ago

We'll need a name and contact number, and by signing up you agree to us storing your information on a secure computer.

We will let you know who your prayer partner is and who you can contact if you need more help.

If you sign up, you are agreeing to pray for 20 minutes a day, for 7 weeks from 30th May to 11th July and there will be material to help with praying. It is more about listening to God than asking Him for things, so it fits with the church spending time discerning God's will.

The first week's Notes are below, to give you a taste of RIDL.

Week 1: So, what just happened?

John 21:1-3

Afterward Jesus appeared again to his disciples, by the Sea of Galilee. It happened this way: ² Simon Peter, Thomas (also known as Didymus), Nathanael from Cana in Galilee, the sons of Zebedee, and two other disciples were together. ³ "I'm going out to fish," Simon Peter told them, and they said, "We'll go with you." So they went out and got into the boat, but that night they caught nothing.

Lectio Divina

In this exercise you should find a Bible passage (see below) and read it slowly, two or three times, to let its meaning sink in.

Think about what you have read, its implications for understanding Who God is, and who we are.

If a phrase or thought stands out for you, then think about what this means for you.

Listen to what God might be saying through this passage.

Possible Passages:

Day 1	John 21 v 1-3	Gone fishing
Day 2	Matthew 28:1-10	Why Galilee?
Day 3	Luke 24 v 36 - 43	He is risen! How do I feel
Day 4	John 20 v 24-29	Thomas – seeing and believing
Day 5	John 6 v 67 -69	Do you want to leave?
Day 6	Matt 4 v 18 - 22	The first fishing trip!
Day 7	Mark 1 v 35-39	"Everyone is looking for you.

You can, of course, choose any other reading you like, as long as it is no more than about 10 verses long. If you find that one of the passages really speaks to you, then spend more than one day on it.

Churches Count on Nature

Hundreds of churches have already signed up to a week-long 'nature count' occurring this summer, which will encourage people to visit churchyards and record what they see.

5-13 June 2021, is a citizen-science event covering churchyards across England and Wales.

The project will see communities and visitors making a note of the animals, birds, insects, or fungi in their local churchyard. Their data will then be collated on the National Biodiversity Network.

DATE FOR YOUR DIARY : Thursday 3rd June 2-4pm

St John's church Eco Church will be hosting a family activity "Nature Detectives" as part of the Kenilworth town **Naturewatch week** and **Churches Count on Nature**.

Details to follow in June New Sheet.

The Persecuted Church Pray especially for Mauritania.

PLEASE PRAY

Dear God, thank You for the small but faithful church in Mauritania. Give those who've made the bold decision to follow You the strength to stand firm and serve You. May they shine brightly, leading others to You, too. Protect Christian women from forced or unhealthy marriages, and place them in families and communities where they will not just survive, but thrive. Amen.
